

# DON'T LET RISHI TURN HIS BACK ON SURVIVORS

Survivors of modern slavery were made two promises by the Government. One was that if they come forward to report abuse, they will be supported in the days after leaving exploitation. The second was a promise that they could access help for 12 months.

Last year, Rishi Sunak scrapped both of these promises, leaving survivors of modern slavery without guaranteed, urgent, support after exploitation.

Join us in asking your MP to take action (full petition text at <https://afterexploitation.eaction.org.uk/keepyourpromise>)
